The National Human Trafficking Hotline provides survivors of human trafficking with vital support and a variety of options to get help and stay safe. The data below do not represent the full scope of trafficking in Colorado. Lack of awareness of human trafficking or of the National Hotline can lead to significant underreporting, particularly among labor trafficking populations or by certain racial or ethnic groups. However, this information can shed some light on trafficking in Colorado which can help put traffickers out of business and help survivors find the services they need.
