### Assess Safety and Needs

Speak to the student alone or privately, and follow her/his cues.

- Is the student a minor (under 18 years of age)?
- Is it safe for the student to talk right now?
- Is anyone watching, listening, calling, or texting her/him?
- Is the controller present or nearby, i.e. at the school, waiting outside, at the home [of the student]?
- Does the controller know where the student attends school or lives?
- What would happen if the student tried to leave the controller? Refuse to continue working or engaging in commercial sex?
- Is the student or a family member in danger?
- Do the parent(s)/legal guardian(s) know about the situation?
