

OVERVIEW OF INCOMING SIGNALS

The following information is based on incoming communication with the National Human Trafficking Hotline from January 1, 2020 – December 31, 2020 about human trafficking cases and issues related to human trafficking in Florida. Communication can take the form of **phone calls**, **SMS**, **Webchat**¹, **online tip reports**², or **emails**. Communication regarding topics unrelated to human trafficking are not included in this report. In 2020, the National Human Trafficking Hotline received a total of **2,539** substantive³ phone calls, SMS, Webchats, emails, or online tip reports from Florida.

¹ Webchats are a means of communicating with hotline staff directly on the website using the online chat feature

² Online tip reports are a standardized form which can be completed on the website, allowing signalers to provide details without directly interacting with hotline staff.

³ Substantive signals excludes hang-ups, wrong numbers, missed signals and signals in which the National Hotline could not determine the signaler's reason for contacting the Hotline

SUBSTANTIVE SIGNAL DATA

The following statistics are based solely on substantive signals about human trafficking and issues related to human trafficking made to the National Human Trafficking Hotline between January 1, 2020 and December 31, 2020 from signalers in Florida at the time of their signal. Substantive signals exclude hang-ups, missed calls, wrong numbers, and signals in which the signaler's reason for contacting is unknown.

Number of Substantive Signals Received from Florida: **2539**

This constitutes the 3rd highest signal volume of all 50 states and Washington, D.C. in 2020.

⁴To protect the identity of the people we serve, the National Human Trafficking Hotline does not disclose exact statistics related to venues, industries, victim information or caller information referenced fewer than three times.

⁵Cases where trafficking type is not specified typically occur when a law enforcement agent or service provider contacts the National Hotline for resources and referrals but does not disclose details about the trafficking situation due to confidentiality. This category also includes cases in which the person reporting the information references human trafficking but does not provide further detail regarding the presence of labor or commercial sex. These cases are often submitted to the National Hotline through anonymous online tip reports.

NON-CUMULATIVE⁹		

NATIONAL HUMAN TRAFFICKING HOTLINE DATA REPORT

Florida State Report: 1/1/2020 – 12/31/2020

⁶These statistics are non-cumulative. Cases may involve multiple victims and include female, male, transgender and gender non-conforming individuals, foreign nationals and U.S. citizens, adults and minors. In some cases, demographic information is not reported. This table shows the number of cases referencing each demographic and not the number of individual victims.

⁷Gender minorities includes any individuals whose gender identified was not cisgender male or female. This would include individuals who identify as transgender male, transgender female, two-spirit, agender, genderfluid, or other specified genders

⁸A Foreign National in this data set is defined as any individual who is not currently a US Citizen or Legal Permanent Resident.

⁹These statistics are non-cumulative. Cases may involve multiple victims and include female, male, transgender and gender non-conforming individuals, foreign nationals and U.S. citizens, adults and minors. In some cases, demographic information is not reported. This table shows the number of cases referencing each demographic and not the number of individual victims.

¹⁰To protect the identity of the people we serve, the National Human Trafficking Hotline does not disclose exact statistics related to venues, industries, victim information or caller information referenced fewer than three times.

Important Note: The data displayed in this report was generated based on information communicated to the National Human Trafficking Hotline via phone, SMS, Webchat email, and online tip report. The National Human Trafficking Hotline cannot verify the accuracy of the information reported. This is not a comprehensive report on the scale or scope of human trafficking within the state. These statistics are accurate as of 07/01/2021. They may be subject to change as new information emerges.
